## Footloose is...

Footloose Sailing Association's mission is to provide safe, accessible, and rewarding sailing experiences to disabled members of our community. We are dedicated to bringing independence on the water and competence in the sport of sailing to our members.

Our fleet of eight sailboats, including Columbia 21s, Access dinghies and Martin 16s, are designed to accommodate a wide range of disabled sailors. We have two boats equipped with electronic controls and a mechanized transfer lift so that anyone can enjoy the freedom of sailing.

## Fun for All!

While we're always on the lookout for qualified skippers, you don't have to be an experienced sailor to volunteer. We invite you to join us even if you have no boating experience at all. There are many administrative, shore-side and dock tasks.

Footloose is completely operated by volunteers including the board of directors, and 100% of all donations go directly to moorage, insurance, equipment and operations. Everyone is encouraged to join and volunteer with Footloose!

## Footloose Events

- Day-sails on Seattle-area Waters
- Overnight Camping Trip to Blake Island
- Special Events such as Sailing Races
- Potlucks & Social Gatherings

Our sailing events are offered from May through September. We also have other special events and social gatherings throughout the year for our members and volunteers. There are no limits to fun with Footloose!

Footloose is a 501C-3 non-profit educational and charitable Washington State Corporation. Footloose is also a chapter of Disabled Sports USA and a member of American Sailing Association.

# FOOTLOOSE SAILING ASSOCIATION

Launched in 1991, Footloose Sailing Association is the Northwest's premiere sailing program for people of all disabilities. Footloose is a 100% volunteer-run organization and everyone is welcome, including friends, family and caregivers.

Come join the Footloose family and find out what a rewarding experience it can be!
