TRANSITION SERVICES

PROVAIL uses a collaborative approach with school districts, the community, and student families to support each student to reach their employment goals. While each experience is different, here is what a typical year can look like for a student.

Summer/Fall

- Discovery of strengths, interests and skills
- Community-based assessment
- Develop employment goals
- Strengthen resume and build employment profile

Fall/Winter

- Job applications and interviews
- Job development and relationship building
- Customized job development

Spring

- Training and on-going job support
- Benefits planning
- Establish long-term support after exiting school

	<i>And more...!</i>

Put your Business on the Map!

As a business partner, you've joined us in the belief that **every one of us has the right to pursue the life we choose to live** by investing in hiring people with disabilities. We call this *AbilityAware!* By putting your business on the map, you are not only gaining valuable employees, but you are marketing your dedication to building a strong and inclusive community.

PROVAIL works with hundreds of businesses throughout King and Snohomish Counties. We highlight these *AbilityAware* businesses on our interactive map which allows community members to see their location, logo, website, and more.

Check out our interactive map of businesses at www.provail.org/provail-business-partners
